<p><b>SYSTEM OF CREDITS</b></p>	<p>ECTS - European Credit Transfer System:  1 credit = 25 hours</p>
<p><b>ECTS SYSTEM</b></p>	<p>The ECTS system improves the flexibility of study programmes for students and allows credits obtained at one higher education institution to be computed towards a qualification studied at another, therefore representing learning based on defined learning outcomes and their associated workload.</p> <p>The ECTS system is based on two main aspects:</p> <ul style="list-style-type: none"> <li>- Information (about study programmes and student achievements)</li> <li>- Mutual agreement (between partner institutions and the student)</li> </ul> <p>In this way, 60 ECTS credits are equivalent to a full academic year and 30 ECTS credits are equivalent to one academic term.</p> <p>To complete this information, click on the following link:  <a href="https://education.ec.europa.eu/levels/higher-education/inclusion-connectivity/european-credit-transfer-accumulation-system">https://education.ec.europa.eu/levels/higher-education/inclusion-connectivity/european-credit-transfer-accumulation-system</a></p>

<p><b>ACADEMIC NORMS</b></p>	<p>Attendance to class is mandatory and absences must be duly justified. A high number of absences can lead to failing a module. Exam dates cannot be changed, except in specific cases, such as justification for absence due to a serious reason. Students are able to extend their stay; to do this, they must send a request, in advance, addressed to the International Office, which will send it to the corresponding faculty for evaluation.</p>
